THANK YOU OF THE WEEK: To our Filipino Parishioners for providing such a wonderful evening. The hall was packed, the food was excellent and the hospitality exceptional. It was one of those marvellous events where both sides of the parish were represented and where there were many non-parishioners from Castle Donington.

We're all looking forward to the next one already!

Think about it!!

Those who today always look for disciplinarian solutions, those who long for an exaggerated doctrinal 'security,' those who stubbornly try to recover a past that no longer exists - they have a static and inward-directed view of things. In this way, faith becomes an ideology among other ideologies.
