POPEQUOTE: Jesus bestowed upon the Church his healing power...The Church's mission is a response to Jesus' gift, for she knows that she must bring to the sick the Lord's own gaze, full of tenderness and compassion. Health care ministry will always be a necessary and fundamental task, to be carried out with renewed enthusiasm by all, from parish communities to the largest healthcare institutions. Doctors and nurses, priests, consecrated men and women, volunteers, families and all those who care for the sick, take part in this ecclesial mission.
