**IF YOU CAN'T PROPHECY ANYTHING NICE,
DON'T PROPHECY ANYTHING AT ALL**

POPEQUOTE:

The church needs true prophets who not only speak the truth fearlessly, but also empathise with the suffering of their people.

A prophet must always be a person who not only is able to cry for his people, but also capable of taking risks to speak the truth.

The Church needs us to be prophets. Not critics, that's another thing. One thing is to be the critical judge who likes nothing, who doesn't like anything, That is not a prophet.
